

Meet Kyle “El” Cameron

Time and time again, Congresswoman Hageman gets Wyoming national attention for all the wrong reasons. Whether it's taking props to caucus meetings, sponsoring do-nothing legislation, or making racist remarks about Vice President Harris, it seems like her primary objective is to embarrass our state. *Wyoming needs better Representation in the U.S. House.*

Fortunately, Wyoming Democrats have a better option:

Kyle Cameron

Kyle (those close to her know her as El) has served as Chair of WDP's Labor Caucus, and is an active member of the Laramie County Democratic Party. She is an activist for reproductive rights, healthcare, workers' rights, and conserving our environment.

El Cameron wants to give voice to the Wyoming values of honesty, hard work, freedom, community, and conservation in Congress. She

needs your help to amplify her message and that takes money. Your contribution, no matter how small, will make a significant difference in her campaign to represent the true values of Wyoming.

Please consider making a donation today to help Kyle Cameron, our friend El, work for a brighter future for all of us.
