WDP Chair Barbuto's Statement On President Biden's Decision to Not Seek Reelection.

Rock Springs, WY – Wyoming Democratic Party Chair Joe M Barbuto released the following statement regarding President Joe Biden's decision not to seek reelection:

"Throughout the course of his Presidency, I've trusted Joe Biden to make decisions that were in the best interest of our party, and, more importantly, our nation and world. He has yet to let me down, and that remains true today. While this news is not what I was hoping for, I am in awe of the courage and patriotism it took for President Biden to reach this decision; my respect for him as a leader has only grown."

"Though some uncertainty may exist about what happens next, our resolve to continue the good work of the Biden Administration and Democratic Party remains steadfast as ever. Our party's presidential nominee in 2024 will stand on a foundation of success and achievement thanks to the dedicated public service of President Joe Biden."
